# IU DAY

*un-pho-gettable*

On the 8th April 2021, the Interact Club of Wesley Methodist School Kuala Lumpur (International) organised their 46th annual International Understanding Day. The theme was "Unphogettable". The purpose for the event was to bring awareness to the cultures and issues of Vietnam. They invited a few guests of honour including Rotarian Prabakaran Vythilingam, Rotarian Sandeep, Rotarian Keanseng, Rotarian Dato Prakash, Rotarian Nagesh, Mr. Wong Chee Kheon, Mr. Lim Chee Ho, Mdm Gan as well as other Interactors from different schools to participate in the event. It was held online through the Zoom platform due to Covid-19 reasons. The event began with an opening dance performed by the Interactors of WMSKL(I) which was pre-recorded. Next, the guests of honour gave their speeches. After that, everyone was shown a skit, followed by a Vietnamese dance which were all prerecorded. The event continued on with booth sessions which were held in different breakout room.

# INSTALLATION

2021

On the 12th of April 2021, Wesley Methodist School Kuala Lumpur International held its annual Student Leaders' Installation to officially recognise the newly appointed Prefects, Monitors and Library Prefects as student leaders in the school. This year the school had Rev. Justin Clarence as our guest of honour for this event. The installation started off with a speech from our school principal, Mr Wong Chee Kheon.

First off, the prefects' teacher advisor Mr Simon Chio came up on stage to call on the names of the prefects. The Prefects Oath was then recited, and our 43rd School Captain, Goh Huey Jun gave her reflective speech on her journey as a prefect and expressed her gratitude to those who supported this journey.

After that, we had Madam Nalina, a teacher advisor from the monitor's board, call on the names of the Monitors of the school. Following the Monitor's Pledge, the president of the monitor's board 2021 Santtosh Sivaram came up to give his speech. His inspiring speech talked about how he decided to change from the timid student he once was and take up the leadership role of a monitor.

Next, a teacher advisor from the Library Prefects board, Madam Lo came up to call out the names of the Library Prefects. After reciting their pledge, the president of the Library Prefects 2021 Elise Tiong gave her speech to thank her peers and teachers, and on her journey through these years.

The event ended with a speech from Rev. Justin Clarence, who talked about the leader Moses in the bible, then the presentation of a token of appreciation. All student leaders were also given refreshments after the event.

# WORSHIP RALLY

This year, the Christian Fellowship club held a worship rally with support from Christian Ministries. The worship rally was held to teach students what worship truly means, and they invited a special guest speaker along with an evening of spectacular games and worship lined up. The theme for their worship rally this year was Everyday Worship.

Students may register through the QR code on the poster given or a google form provided by a teacher. The event was announced on March 8 and registration was closed on March 22. The event was held on April 16 2021, Friday, in Wesley Hall from 4 p.m. to 8: 30 p.m. The fee to participate would be RM40, which not only includes dinner but an event T-shirt as well. However, they must still adhere to Covid-19 SOPs. Thus only 80 people were allowed to participate.

~~~~~

The Leo club of WMSKL organised the Global Awareness Challenge on the 5th to 11th of April. This event aimed to raise awareness for 2 of the club's global causes: diabetes and the environment. Participants were tasked with either planting a tree in their homes or walking 10000 steps and posting a picture of it on social media. The two participants winning participants for this event was Ng Yee Cheng in first place, and Kim Haeju in second. Other participants stood a chance to win exciting prizes in a lucky draw event too. Many people were eager to participate in the challenge, including both upper and lower secondary students, and members of other leo clubs..

As a whole, the event achieved its purpose in raising awareness for the two causes, the environment and diabetes, in a fun way that showed how easy it could be to help with these causes. Hopefully the challenge can inspire people into continuing these small extra efforts and slowly change themselves for the better
