ECO EARTH HOUR ASSEMBLY

On the 1st of April, the Eco-School Committee of WMSKL(I) held a special assembly in conjunction to Earth Hour 2019, with the theme “Change The Way We Live”. The week began with a formal assembly in the Wesley Hall, where the Guest of Honour, Mr Emirul Redzuan, from the “EcoKnights” initiated the “Lights Out” ceremony by turning off all the lights in the hall. This was followed by a video presentation and a speech delivered by Mr Emirul regarding the reasons as to why everyone should recycle their waste instead of throwing them around. This enlightened the students about the need to reduce their waste besides needing to recycle them because it lowers the chances of the waste later being thrown away and ending up in the sea, which will eventually harm the marine life. After the speech, the principal Mr Wong presented Mr Emirul with a small token of appreciation, which then followed with a short photography session to signal the end of the assembly.

A special Violin and Piano Duet was performed by Tan Pinqi Sophia and Cynthia Lau Xin Yi before continuing with the Prize Giving to all students who received straight 6.0 (excellent) for last year’s Cambridge Checkpoint exam.

The awards ceremony proceeded to acknowledge outstanding achievers in the Sijil Pelajaran Malaysia (SPM) and International General Certificate of Secondary Education (IGCSE) examinations, beginning with an outstanding result of “11 highest distinctions in all subjects taken” to “eight distinctions”. JUST KID-DING -IR DAY-

On the 11th of April 2019, the LEO Club of Wesley Methodist School Kuala Lumpur (International) held their annual International Relationship Day. This year's theme, 'Just Kid-ding' centered around appreciating our childhood.

The event began at 4:30 after school with the arrival of the guest of honour and VIPs. A roll call was then held. The event flow was structured into a skit. At the beginning, the protagonist, Isaac, was introduced to the audience through the opening dance. One day, his employer calls him into his office and reprimands him due to his work not being up to par. Dejected, he goes home and turns on his television to watch some cartoons. A brief interlude was held for the director of the event, LEO Megan Lim Ka Yan, to give a heartwarming speech. The show continued after this with a singing performance of nostalgic songs from popular kid shows. Mr Wong Chee Kheon then delivered his speech.

The skit continued thereafter, with Isaac meeting a mysterious stranger. The stranger reveals that she wants to teach Isaac a lesson, as he had taken his childhood for granted without knowing what it was like to grow up in a broken home. This was followed by a horror-themed dance performance. Isaac realizes his errors and that he should have appreciated his childhood more.

The skit was then paused for the guest of honour, Lion Michelle Mok to give her speech. Afterwards, a video presentation was played. A game of 'Kahoot!' was then conducted, where the audience participated in a quiz using their phones. The presentation of the tokens of appreciation to the VIPs and souvenirs to the clubs present followed. After the final act of the skit, where Isaac is sent back from the television land back to his home, the finale brought the event to a spectacular close.

A large part of the day's activities was a ceremony dedicated to the teachers, packed with stellar performances by the students.
