# #IRunForTeachers VIRTUAL CHALLENGE 2021

Wesley Methodist School Kuala Lumpur (International) held its fourth Virtual Run from the 8th to 14th of May 2021. Under the theme "IRUNFORTEACHERS", the virtual run was held in conjunction with Teacher's Day.

IRUNFORTEACHERS was a 7 Day challenge. The registration for this event was open from the 2nd to 7th of May. During the competition period, participants had to accumulate as many steps as they could on a fitness app. They then submitted their results at 8-10 pm on the 14th of May. The participant with the greatest number of steps covered in 7 days took home the Champion's trophy.

The champion for this month's virtual run was Keevus Lee Sze Chuen of 11 Joshua, and the accumulated points brought Blue House back in the lead with 137 points, with Green House only 2 points away. The 2nd to 4th place runners also received a trophy. In addition, all participants were awarded a finisher's medal, a finisher's T-Shirt and an E-Certificate.

This event was a fantastic opportunity to work out during the third MCO but more importantly to run for our beloved teachers, who inspire hope, ignite imagination, and instill a love of learning in our lives.

## VIRTUAL RUN POSTERS

**#IRunForTeachers Virtual Challenge**  
Race Period: 8th - 14th May 2021

The participant with the maximum number of steps covered in 7 days takes home the **CHAMPION** trophy!

# teachers' day celebration

On the 17th of May 2021, WMSKL(I) held its Teachers' Day celebration through various online initiatives by the students. The first surprise was a 1 hour video presentation that consisted of various performances by our talented students. An inspiring speech by our principal, Mr Wong, was given as well. A few students and teachers were included in a lighthearted interview segment, where the participants were asked various questions about their experiences in Wesley. More performances followed the interviews, as well as a hilarious skit performed by a group of prefects about the types of teachers in online class. Gift bags were also prepared for the teachers to show our gratitude.

A digital scrapbook was also made as a collaboration between the Prefects and Monitors boards for the teachers. Each class was tasked with designing a few pages of a scrapbook, which was compiled and uploaded onto the school's Microsoft Teams general channel for the teachers to enjoy. The Librarians Board also organised another surprise for the teachers the following week. Students from each class were tasked with writing Haikus for their teachers and put in a digital card, which was then posted in their respective class teams. A 'Padlet' was also created where students could write their own anonymous messages to their teachers. The Padlet was filled with encouraging and positive messages, giving the teachers another pleasant surprise.

Overall thanks to the cooperation between various students and the organising committee, the Teacher's Day celebration was carried out successfully.

## SKIT ABOUT THE TYPES OF TEACHERS IN ONLINE CLASS

PERFORMANCES

MR WONG'S SPEECH

# PARENT TEACHER CONFERENCE

On the weekdays of the 18th of May—25th of May, the school held its annual Parent-Teacher Conference online on Microsoft Teams. Through the app 1Cube, parents were sent instructions on how to use the Booking Applications to schedule sessions each lasting for 10-minutes with subject teachers.

This event enabled the parents of Year Seven to Year Ten students to ask questions about their child's academic progress and performance in order to further improve in the future.

# HARI RAYA CELEBRATION

The Hari Raya celebration was organised by the Islamic society of WMSKL(I) on the 31st of May 2021. The celebration was held in the form of a video presentation shown to the students by their respective homeroom teachers and began with a speech from our principal, Mr Wong Chee Kheon. His speech emphasised the importance of relationships fostered through students of all faiths and beliefs. This was followed by each member of the Islamic Society greeting everyone Selamat Hari Raya, as well as the teacher advisors, Mdm Syamimi, Mr Faizal and Puan Zainab. The president of the Islamic society then proceeded with her speech, highlighting the significance of Hari Raya and the customs and norms of the celebration. The video presentation was then concluded by a short, moving Hari Raya film 'Kerana Azman'.

SELAMAT HARI RAYA  
MAAF ZAHIR DAN BATIN
